

2023 REDWOOD EMPIRE CHINESE ASSOCIATION SCHOLARSHIP GUIDELINES AND PROCEDURES

Program Background

The Redwood Empire Chinese Association (RECA) is a non-profit organization with the purpose of providing educational and charitable services relating to the preservation and sharing of Chinese culture, language, and heritage with the northern California community. RECA's activities include performances and demonstrations of traditional lion dances and folk dances for the public schools and the community at large, as well as a Chinese language and culture school. More information is available at www.recacenter.org.

The scholarship program was set up to provide a service to the community, and it is funded by donations from RECA members and friends and fundraising events sponsored by RECA. In 2023, four \$500 scholarships are available.

Program Objective

The scholarship program recognizes students who have good academic records and have also spent time in community service activities. It encourages outstanding high school seniors to continue their education beyond high school. Students may plan to attend any post-secondary school, including community college, 4-year college or university, or accredited trade school.

Selection Process

Some of the scholarships will be awarded to well-rounded students with emphasis on excellent academic achievement. Other scholarships may emphasize involvement with RECA and consideration of financial need.

The scholarship committee will select finalists by May 1, and all finalists will be interviewed by the committee. The awards will be announced by the end of May.

Payment of Scholarship

To receive the award, the recipient must submit proof of enrollment at an accredited post-secondary school.
